CHAPTER 973

This Saturday @Jack's!

Chapter 973 Gathering 10 October

Capt. Colin Green, hit by an SAM-7 missile while flying a C-47 filled with military VIP passengers including the Chief of the Army.
Ordering the passengers around to regulate the Centre of Gravity, and using flaps and power to control the pitch, Captain Green eased the damaged aircraft onto the tarmac.
He was later awarded the Chief of the SADF Commendation for his exceptional flying skills.
